

# How to Leverage Medicare Beneficiary Quality Improvement Program (MBQIP) Data for Improvements

## Social Drivers of Health (SDOH) and Health Equity

August 14, 2024 | 1:00-2:00 PM (CT)

[Register Here](#)

This event will review the MBQIP Commitment to Health Equity and SDOH measures. The event will address how attendees can use available data on social drivers of health to tell the story of their community.

### Target Audience:

Quality Improvement Professionals

### Speakers:

RQITA Resource Center Team

### Objectives:

- + Discuss the relationship of health equity measures and quality improvement
- + Review the MBQIP Commitment to Health Equity and SDOH measures
- + Learn data resources available to you, both nationally and locally
- + Identify ways to use SDOH to tell your story!
