

COMPASS LEARNING AND ACTION NETWORK SERIES

Building a Culture of Safety utilizing the Patient Safety Structural Measure Domain

Speaker

**Kathy Collins, BSN,
RN, CPHQ, CPPS**

Series Registration

Overview: As part of the FY2025 final rule, CMS is requiring hospitals participating in the Hospital Inpatient Quality Reporting (IQR) program to report on the Patient Safety Structural Measure (PSSM). Structural measures provide a way for hospitals to address a topic for which no outcome measure exists. The PSSM is an attestation-based measure that assesses whether hospitals have a structure and culture that prioritizes safety as demonstrated by five domains. Hospitals will attest to whether they engage in specific evidence-based best practices in each domain. CMS expects that by attesting to these measures, hospitals will develop evidence-based programs and processes to support improvements in high impact areas. Join us for this webinar series as we take a deeper dive into implementation and evaluation of these five domains. We will also include insights for hospitals that are not required to report on the PSSM but are proactively building a safety culture and program.

Audience: Hospital leaders, quality and safety leaders, and anyone responsible for implementing or overseeing patient safety initiatives

April 2

1 - 1:50 PM CT

Leadership Commitment to Eliminating Preventable Harm

1. Examine the role of leadership in fostering a culture of safety.
2. Identify strategies for senior leaders to prioritize and allocate resources for patient safety.
3. Discuss methods for holding leadership accountable for safety outcomes.

Strategic Planning & Organization Policy

1. Explore the importance of integrating patient safety into strategic planning.
2. Review policies that support a safe healthcare environment.
3. Discuss alignment of organizational goals with patient safety initiatives.

May 7

1 - 1:50 PM CT

Culture of Safety & Learning Health Safety

1. Define the key components of a culture of safety.
2. Examine the role of learning systems in continuous safety improvement.
3. Share best practices for fostering a non-punitive environment that encourages reporting and learning from errors.

June 4

1 - 1:50 PM CT

Accountability & Transparency

1. Analyze the principles of accountability in patient safety.
2. Discuss the importance of transparency in safety reporting and communication.
3. Identify tools and metrics for measuring and reporting safety performance.

July 2

1 - 1:50 PM CT

Patient and Family Engagement

1. Highlight the role of patients and families in enhancing safety.
2. Explore strategies for effective patient and family engagement in safety initiatives.
3. Discuss the benefits of creating Patient and Family Advisory Councils.

August 6

1 - 1:50 PM CT

Continuing Education

Accreditation:

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Iowa Medical Society (IMS). Compass Healthcare Collaborative is accredited by the IMS to provide continuing medical education for physicians.

Designation:

Compass Healthcare Collaborative designates each live activity for a maximum of **1.0** AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Commercial Support:

This activity was developed without support from any ineligible company. *The ACCME defines ineligible companies as those whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Note: The ACCME does not consider providers of clinical service directly to patients to be commercial interests unless the provider of clinical services is owned, or controlled by, and ACCME defined ineligible company.

Disclosure:

Compass Healthcare Collaborative (Compass) adheres to the Standards for Integrity and Independence in Accredited Continuing Education. The content of this activity is not related to products or the business lines of an ACCME-defined ineligible company. None of the planners or moderators for this educational activity have relevant financial relationships to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing products used by or on patients.

Note: AMA PRA Category 1 Credits[™] are accepted for nursing and other healthcare discipline license renewal purposes, provided the topic is relevant to the applicant's field or discipline. After participating, you will receive a Certificate of Attendance detailing the number of AMA PRA Category 1 Credits[™] you can claim. This certificate is provided for self-reporting requirements and must be submitted to your state board for license renewal.
